

IMA APCON 2026

Theme : Redefining Healthcare - "Ethics, Empathy and Excellence"

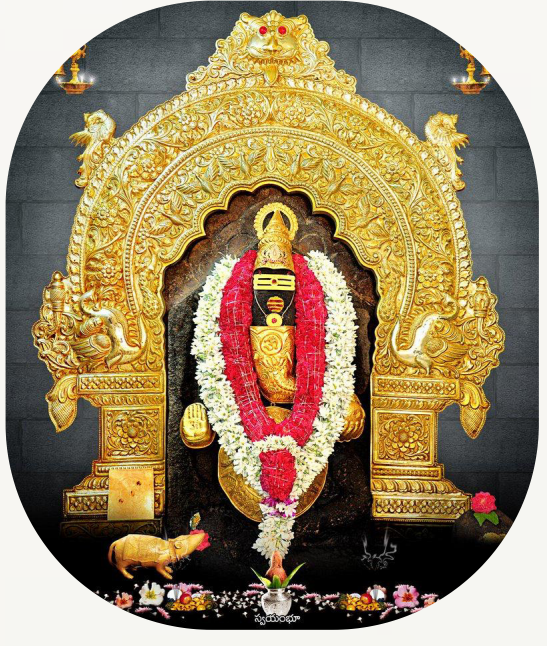

hosted by : **IMA-Konaseema - Amalapuram**

Venue : KIMS Medical College

Dates : Nov 21st & 22nd (Workshop : 20th)

APMC Credit hours : 6 (4+2)

*Dear esteemed members of IMA AP State,
Greetings from IMA Konaseema.*

You are all aware that IMA Konaseema is hosting the 68th State Conference of IMA. Our team is working hard to make this conference a pleasant and memorable event.

In this regard, I am happy to inform you that for the first time in the history of IMA State Conferences, we are incorporating pre-conference workshops on 20th November like POCUS, Critical Care, Finance & Artificial Intelligence (AI) which will be highly useful for our medical fraternity.

To encourage the participation of our young doctors (JDN & MSN), we have introduced Dr. Yellapragada Subba Rao Best Paper Award For post-graduates, along with a Best-poster award for medical students.

Whatever we are trying to accomplish, your active participation is what will bring success to our conference.

"We sincerely invite you all to join us, enrich the conference with your esteemed presence and active participation, and experience an excellent scientific feast along with the traditional cuisine, mesmerising scenic beauty, and warm hospitality of Konaseema."

Come, be a part of this memorable celebration, enjoy, and rejuvenate yourself!

Long live IMA.

- Organizing committee

Chairman : Dr.B.Varahalu

Secretary : Dr.P. Suresh Babu
